UGA Academic Advising Syllabus

SPRING 2022

Advisor	Advising Objective Professional academic advisors help undergraduate students understand the options and opportunities for academic programs of study, degree requirements, academic resources, and course selection. Academic advisors engage students in meaningful relationships designed to support and encourage a challenging and successful undergraduate education.
Office Hours	Resources <ul style="list-style-type: none">• <u>UGA Bulletin</u> (bulletin.uga.edu): All major/minor/certificate requirements, course descriptions, and UGA policies• <u>Degreeworks</u> (degreeworks.uga.edu): Individualized degree plan and progress checker (degree audit)
Website	<ul style="list-style-type: none">• <u>Athena</u> (Athena.uga.edu): Register for courses, access student records, declare majors/minors/certificates, request transcripts• <u>SAGE</u> (sage.uga.edu): Identify and contact your advisor, schedule advising and tutoring appointments

What you will learn during your advising appointments:

- How to access and interpret UGA policies and procedures
- Degree requirements and how to get the most out of your degree program
- How to use technological resources to enhance your understanding of requirements and policies
- The plethora of opportunities and resources available to you as a UGA student
- How your strengths align with your goals, and how to explore programs that will enhance both
- The value of developing a mutually respectful and trusting relationship with your advisor
- How to make the best use of this relationship by communicating openly with your advisor

Important Dates

Date	Event	Action
Jan 10-14	Classes start, drop/add week	Visit advising office walk-ins if you have questions about your schedule.
February	Advising Starts	Look for an email from your advisor and make your appointment early!
March 24	Withdrawal Deadline	Talk to your professor and/or advisor before withdrawing from any courses.
April 7	Early Registration	If you have early registration, be sure you are advised by this date.
April 11-22	Standard Registration (priority by credit hours)	If you have not been advised by your registration date, you cannot register.

Student and Advisor Responsibilities

Student Responsibilities	Advisor Responsibilities
