How to Join the SAGE Users Listserv

1. Visit listserv.uga.edu and log in using your UGA email and password.
2. This will bring you to the homepage with all the available listservs. Scroll down on the first page and you will see “SAGE-USERS” as an option.
3. Click on “SAGE-USERS.”
4. This will bring you to the homepage of the listserv. On the right hand side you will see a box that says “Options.” The third option down says “subscribe or unsubscribe” - click on that.
5. This will take you to another page that gives you information on the listserv and at the bottom you will see a button in grey that says “Subscribe (SAGE-USERS)” - click on that.
6. This will subscribe you to the listserv. You will then get an email once an administrator has approved your request to join to listserv.
