**HOW DO I GET ADVISED?**

1. **Step 1:** Check DegreeWorks to confirm your major(s) appear correctly.
   - **Major appears correctly.**
   - **Need to change major?**
     - **Step 2:** Change your major in ATHENA under “Student” → “My Programs.”
     - **Step 3:** Wait a few days for advising offices to select a new advisor for you and make the assignment in SAGE.
     - **Step 4:** Log on to SAGE to find your primary advisor under the “Network” tab. If you still do not see a new primary advisor, email exploration@uga.edu.
     - **Step 5:** Email your advisor about your major change and ask about next steps.

2. **Step 2:** Log on to SAGE to find your primary advisor under the “Network” tab.
   - **Step 3:** View your advisor’s calendar and sign up for an open appointment. If no appointments are available, check daily for new openings.
   - **Step 4:** Prepare for your appointment by consulting DegreeWorks to review academic program requirements. Write down any questions and a list of potential classes for next semester.
   - **Step 5:** Come prepared to talk about your progress and goals during your advising appointment.
